SIGNCODE ALU

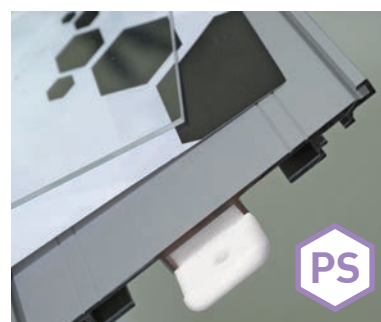

SISTEMA MODULARE CON CHIUSURA A PRESSIONE

Con il nostro sistema Signcode, potrai sbizzarrirti a realizzare tutti i sistemi di segnaletica modulare che ti vengano in mente! La cornice per il pannello o foglio in carts è disponibile in colore argento. Signcode inoltre è disponibile in due versioni: con pannello in alluminio o con protettivo in PS per la personalizzazione del foglio da inserire nel Signcode.

Che sia a soffitto, a parete, a bandiera o a sospensione, il tuo sistema modulare sarà sempre perfetto!

AL

PS

pannello in alluminio, per decorazione con pellicole adesive o per stampa diretta.

protettivo trasparente in PS antiriflesso, per stampa su carta o stampa diretta.
